

## **BOWLING CROWNS LEAGUE CHAMPIONS**

The four IAA leagues named their champions this past week. Highlighting the action was the Friday mens league where a rolloff was required to determine the winner. Henkel Surface Technology used three 300 games in the past month and a position round sweep to move into a first place tie with the pin pals on the last night of the season. Henkel then claimed the first two games of the rolloff to repeat as champions. Team members include Jim Rutherford, Joey Koleff, Mike Vanderakker, Brian Betts, and Dave Rudzinski.
