## SPEED, TWISTS, INVERSIONS...AND THAT'S JUST ONE RIDE! ARE YOU UP TO THE CHALLENGE FOR GREAT AMERICA DAY THIS YEAR?

The entire family will love Six Flags Great America. The Midwest's premier theme park has something for everyone from the young to the young at heart. With 12 world class roller coasters including two new coasters, Déjà Vu and Vertical Velocity, plus four drenching water rides, three interactive children's areas, excellent shows and attractions, guests can enjoy the variety of entertainment Six Flags Great America offers.

Headlining this year's addition at Six Flags Great America is one of the most innovative advancement in coaster thrills of the past ten years - Vertical Velocity (V2). Powered by state-of-the-art Linear Induction Motors (LIM's), V2 challenges conventional thrills by boldly going higher and faster. Vertical Velocity launches riders at 70 mph in less than four seconds. V2 rockets suspend riders through 630 feet of U-shaped, twisted steel track over water. Once fired out of the station, the vehicle rockets up a 185 foot spiral tower. The guests swoop backward through the station and up a second 185 foot tower. The ride repeats twice with riders going vertical three times to the front and two times to the back of the track. At the completion, guests have ridden over 2,700 feet of steel, challenging the laws of physics and gravity with pure Vertical Velocity.

Complementing V2 is yet another powerhouse thrill machine, Déjà Vu, the first of its kind in the world. Suspended in a single ski-lift style train, guests climb a 178 foot tower at a 90 degree angle using "cable-lift" technology. Déjà Vu pulls passengers up the tower faster and quieter than conventional chain lifts. Thrill seekers then plummet straight down and face down at 65 mph through a 110 foot high boomerang turn and over the outside of a vertical loop. The train then lifts up a second 178 foot tower using the cable lift system. Once the vehicle has reached the top, guests will be released and then travel the entire course again...backwards.

Members can share this seasons spectacular at IAA, Inc.'s annual Six Flags Great America Outing held on Saturday, June 30 and Sunday, July 1. The park opens at 10 a.m., closing times vary. There is an \$8 parking fee.

"The discounted ticket price is \$24 for adults and children over 48" tall," said organizer Dale Petroff. "You may purchase tickets for children under 48" tall and adults over 60 years old at the Six Flags admission gate. The tickets can be used on either day plus you may purchase a "twicket" at the park for \$5 so you may go again the next day."

"Similar to last year, the picnic grove has been reserved for Saturday, June 30 from 3:00-4:30 p.m. Menu items include all-you-can-eat southern fried chicken, hot dogs, salads, rolls, chips and soft drinks for a discounted price of \$6 per person. IAA, Inc. members are limited to a maximum of 7 meal tickets at the discounted price. Additional tickets are available with a \$4.00 surcharge. A raffle will highlight picnic grove activities," added Petroff. "Six Flags Great America cartoon characters will mingle with and take pictures with the kids."

## SYNTHETIC GUTS, CENTER COURT, STIPANCIC AND RAE FINISH 1ST PLACE IN THE SECOND HALF OF DOUBLES TENNIS SEASON

The 2000-2001 IAA, Inc. Men's Doubles League finished up the second half of its indoor doubles tennis season with divisional playoffs on Sun., Apr. 29 at Match Point Tennis and Fitness Club in Griffith.

In Division I-A it was the Synthetic Guts finishing strong with a 9-1 record to command first place for the second half of the regular season. The Synthetic Guts are captained by Ed Sarwacinski and include team members Steve Anhalt, Bill Buehne, Jim French and John Markey. However, the Division I-A playoff featured Lottery's (Div. I-A first half winners) Bill Hills and Jack Totten defeating the Synthetic Guts Sarwacinski and Anhalt in a tight 3 set (6-4 4-6 6-2) match. Lottery is captained by Hills and includes team members Dave Hills, Tom Mohr, Vince Soto and Totten.

In Division I-B team Center Court ruled the second half with a 7-3 record to finish in first place earning the right to return to Div. I-A in the 2002 season. Center Court had some impressive matches including a victory over Div. I-A's Lottery. Center Court is captained by Joe Sarwacinski and includes team members Tony Guarnero, Ed Rudd, Dan Sarwacinski, Jose Serrano and Bob Vegter. In the Div. I-B playoff, Center Court's Sarwacinski and Rudd fended off the Bozos (Div. I-B first half winners) Dan Fisher and Barry Rothstein in yet another exciting 3 set (6-4 1-6 6-4) victory. Center Court will swap divisions with Div. I-A's fourth place team Harrison Park when the 2002 Doubles Season begins in Nov.

The Doubles League also features a group of players called Division II. This division does not have teams but rather a pool of players of which four are scheduled to play each week rotating between Men's Doubles and Mixed Doubles play.

In Division II play it was Phil Stipancic, Jr., playing some tough tennis to finish in first place with a 4-2 record. Stipancic is a seasoned player whose court

awareness and ability to control a match makes him a tough opponent to face. Close behind was Jim Altgilbers who finished in second place with a 3-2 record.

In Div. II Mixed Doubles play it was IAA, Inc. newcomer Nancy Rae finishing in first place with a 3-0 (6 pts.) record. Rae's put away ground strokes from the baseline left many opponents with surprised looks on their faces as return shots were clearly inbounds but often out of reach. Finishing in second place, in the individual point system, was another IAA, Inc. newcomer Beverly Barbush with a 2-2 record (6 pts.). Barbush and partner Ed Sarwacinski's (4 pts.) only losses for the season came at the hand of Rae and her brother Philip Kitchell (4 pts.) during two action packed matches.

Once again, thanks to everyone who participated and hope to see you back in the fall for more Doubles Tennis. Watch the next newsletter or visit the IAA Inc.'s website for Summer Singles Tennis results.

Women's Volleyball ended their season on Thurs., Mar. 29 with a total of 15 weeks of play.

"This year we added new members to the league, had a whole bunch of fun and saw many improvements amongst team players," exclaimed chairperson Linda Cox. "The games became more challenging as the season progressed."

Once again, Volley Girls captured first place with a score of 30 wins and 10 losses. Diamond Girls came in a close second with a record of 28-12. "The Diamond Girls exhibited sportsmanship along with a fine effort," added Cox.

Other teams scores were as follows: Friends 22-18; MBD 19-21; Rough Riders 13-27 and High Flyers 7-33.

"I want to thank everyone who participated in this years season and hope to see everyone back again next year. Also thanks to the IAA, Inc. for making all this possible," stated Cox.

### TEAM POSSE DEFENDS BASKETBALL TITLE, GOES UNBEATEN

The IAA's entry into the East Chicago Parks and Recreation departments Men's Basketball League, the Posse, cruised through the regular season, compiling a perfect 7-0 mark enroute to their second consecutive league title. Donell Hampton's squad then added the leagues tournament title by defeating the Outsiders, Just Bring It, and the #1 Stunners in the championship game.

Hampton, along with assistance coaches Larry Williams, Jr. and Val McCulley, have guided the Posse to a 19-1 record over the course of the last two seasons, including a 6-0 tournament mark.

Eddie Jones, Anthony Rufus and McCulley paced the well balanced offensive juggernaut, while Rufus, Williams, Jr. and Greg Addison fueled the explosive quick strike offense with their outstanding defensive rebounding efforts.

## TAT2U RECLAIMS MEN'S VOLLEYBALL TITLE METAL AND OUTSIDERS CLOSE BEHIND WITH SECOND AND THIRD PLACE FINISHES

The Men's Volleyball League has completed another season after switching gyms to Washington Elementary.

"I would like to thank all individuals at Washington Elementary for accomodating the IAA, Inc. Men's and Women's Volleyball Leagues as well as the East Chicago School Board," stated chairperson Joe Sarwacinski. "Thanks also to all individuals who participated to complete the season."

Congratulations go out to team Tat2u well on their way to a dynasty by capturing first place for a second year in a row. Tat2u consists of captains Chris Tinberg and Mike Krusza accompanied by Joe Gifford, Dave Turpin, Dan Housman, Paul Brink and Jason Hovis. Nice job guys!

Honorable mention goes to team Metal captained by Sarwacinski, with a second place finish just edging out team Outsiders captained by Matthew Mark and Sir Edward Dixon.

The league hosted volleyball to a level of play with plenty of room for new teams. If needed, divisions will be an option in the fall 2001-2002 season.
